**NORTH DAKOTA OBITUARY**  
Died—Aged 56 years, six months and thirteen days. Deceased was a mild-mannered pirate, with a mouth for whiskey. He came here in the night with another man's wife and joined the church at the first seance. He owed us several dollars for the paper, a large meat bill and you could hear him pray six blocks. He died singing, "Jesus paid it all," and we think he is right—he never paid anything himself. He was buried in an asbestos casket, and his friends threw palm-leaf fans in his grave as he may need them.—Montpelier (N. D.) Magnet.
